Case No. 2:12-cv-00853-LDG (GWF)

ORDER

15 Plaintiff MedTrak VNG, Inc. moved for default judgment (#26) against both
16 defendant AcuNetx, Inc. and defendant Chapin Hunt. Subsequent to the filing of that
17 motion, AcuNetx has filed a notice that it filed a voluntary petition for relief under the
18 Bankruptcy Code, resulting in an automatic stay of this action as to AcuNetx. In addition,
19 the Court set aside the default as to Hunt. Accordingly,

20 THE COURT **ORDERS** that Plaintiff's Motion for Default Judgment and an Award of
21 Attorney's Fees and Costs, and Statutory Damages (#26) is DENIED without prejudice as
22 to Defendant AcuNetx, Inc., and is DENIED as to Defendant Chapin Hunt.

23 DATED this 28 day of March, 2013.
